Dear George,

On behalf of the patients, families and staff of Children's Healthcare of Atlanta, thank you for helping us transform pediatric healthcare and become the leading voice for the health of Georgia's children.

Because of your generous support, we were able to treat more than 553,000 young patients who turned to us last year for care. The selflessness and compassion exhibited by Associated Hygienic Products staff are essential to our mission to enhance the lives of children through excellence in patient care, research and education.

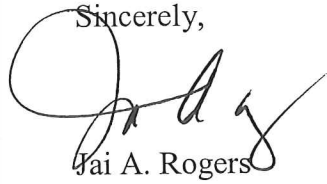

In addition, we have greatly appreciated your active engagement as a Corporate Connections Partner in 2009:

- **\$25,000 to support the News/Talk 750 WSB Care-a-Thon**
- **\$50,000 for Unrestricted Funds at Children's**
- **Monthly diaper donation for patients at Children's at Hughes Spalding**
- **AHP employees' service as Care-a-Thon phone bank volunteers to help raise more than \$1.3 million in 2009**

We are constantly seeking new ways to make your donations go further and sincerely thank you for allowing us to accomplish our mission for our community's children.

I look forward to strengthening our partnership in 2010!

Sincerely,

Jai A. Rogers
